

hello, sorry for responding so late

are you still able to help me?

if yes, I have to say you that I need to have a part of the project done till 23 May.

it should be similar as this: <https://www.airport-arrivals-departures.com/play-airplane-quartet.htm>

but at first should be seen:

First page:

USA - President's Quartet Game

Play with  
a friend

play with  
computer

if you click on play with a friend:

Player 1 name

Player 2 name

if you click on play with computer:

your name

until this moment nothing can be clicked except: play with computer->easy->start.

And after clicking on start should look like the link above

The Cards should look like this:

(for the empty lines I haven't found any information yet but I can add them later )
